Hi there

I'm emailing to support a movement to north Lanarkshire council from Glasgow council.. This has many advantages for my family especially my two children of which my elder 1 goes to a north Lanarkshire school already an my next daughter won't get the chance of that because we live in Glasgow council at the moment an will therefore have to drive past the north Lanarkshire school to go to the Glasgow one which makes no sense ... When we moved into this area we were given a brochure of the nearest school at Stepps primary is on there but out of our boundariesbeing part of north Lanarkshire would be better all round as we are stuck in the middle of it...

I hope this happens and look forward to hearing from you
