Subject: Dunlop Gardens - Cardowan Stepps boundary review between Glasgow and NL

Dear Sirs,
Thanks for your letter of 13 June 2017 re. above subject.

I live at [REDACTED], within the affected area. I wanted write to advise my full and total support to this. It makes no sense to remain in Glasgow. Apart from schools, local kids having to drive a significant distance perfectly good NL primary schools for instance, to get to school, never mind the high school, really, that is ridiculous, so this proposal makes so much sense. The whole area should be NL as it is clearly better accessed and supported from there, not just schooling but all other facilities including bin pickups amongst others. Glasgow fulfilling this area must be extra onerous so I'm sure its financially beneficial for Glasgow to have this area off its books as it must be right on the edge of its area.

Please progress with this and make it happen, I trust all others see similar sense as its in everyones interest.

Best Regards,
Alston Rankin
