Subject: Administrative area review at Cardowan, Stepps

Dear Sirs,

Thank you for your letter of 13th June advising progress on this item.

I am fully in favour of my area being within the North Lanarkshire council area.

My particular reasons for this are

- Services for this area have to travel several miles through North Lanarkshire to reach the area
 - Refuge collection
 - Recycle collection
 - Gritting of roads in winter etc
- These services put additional (and unnecessary) transport onto the road traffic in this area
 - Additional wear and tear
 - Additional pollution via exhaust emissions
- By having all the local area under one control makes it easier for residents to have their voice heard on issues which are common
 - Neighbourhood watch
 - Environmental protection of the area
 - Play areas
 - Schools
 - Emergency services communications
 - Local councillor communications

Yours sincerely
Cornelius McGill
