Please find attached prosals for Dunlop, Stepps residents to move to North Lanarkshire Council.

My personal Choice would be to move to North Lanarkshire council

Regards

For me the argument is :-

- 1) There is a precedent for the boundary change as this was carried out on the estate across the road/roundabout from ours. Why should this be allowed for them and not us?
- 2) It is not economic or ecological for council bin lorries to detour every week for only a few streets bins to be emptied.
- 3) Why have children attending schools some distance away and far from their friends who live around the corner. Why fund a separate bus service to collect children to take them to schools within the Glasgow council district.
- 4) We are able to registers to local North Lanarkshire GP practices. Why then when it comes to midwifery and nursing care should patients then have to deal with Glasgow Council employees which causes a lot of problems and also has additional travel costs and inconvenience all parties involved.
- 5) Our closest local amenities ie libraries and gyms are North Lanarkshire.
- 6) Glasgow City Council black taxis charge a boundary fee when dropping off to this area. If we are residents of Glasgow Council why are we being charged?
