Hi,

I currently live at [REDACTED] and wish to issue this email in support of the application to move to North Lanarkshire Council.

I have confirmed my support via the consultation page but have become very alarmed at the prospect of the proposed road which Glasgow City Council are proposing linking our estate with Easterhouse.

This road would take the effect of turning a local access road into a main further fare and pose a very dangerous hazard to the children and dog walkers in the area.

I see it as being less of a link to Gartcosh etc and rather a further access for the Fort Shopping Centre.

My main purpose for moving to the area was the quietness of the locale and the fact that we were far from main roads and any moves to change this are completely unacceptable.

I would like to see where details of this proposed road were shared with residents as I would have voiced my complaint much earlier had I known of this.

Can you please have someone contact me as soon as possible to confirm the details of this consultation?

Thank you

Gary Beaton
