To whom it may concern,

Further to your recent letter I wish to register my support for the proposed boundary change at Cardowan by Stepps. The main issues I would highlight in support of the proposal are as follows:

The Cardowan area is regarded locally as belonging to Stepps.

The area involved is accessed solely from North Lanarkshire.

There is duplication in the provision of some public services such as refuse collection.

There is already a precedent for boundary change as the adjoining Crowwood Grange estate was transferred from Glasgow City Council area to North Lanarkshire Council area in 2009.

Local commercial and public services are located in the North Lanarkshire area.

A change would allow more effective local government of the area.

Yours sincerely,

John Tangny
