As owner of the above property I wish to register my support for the re-zoning of our area, as outlined in the consultation documents, from Glasgow City Council control to North Lanarkshire Council.

The current zoning is totally illogical with our small estate being surrounded on all boundaries with homes closer to the city but being under North Lanarkshire Council control.

I beg that common sense prevails in this case and that the interests of the residents of the area are put at the forefront of any decision rather than politics.

Yours sincerely
Lynne Willdigg (Boyd)
