Subject: Boundary review cardowan Stepps

I Stephen Docherty stay at [REDACTED] Stepps and support the boundary review for change from Glasgow to north Lanarkshire. I feel every street around dewar road is north lanarkshire and feel logically my [REDACTED] Development should be the same, to get to Glasgow by walking is a 3 mile distance and therefor feel it makes sense for this to be reviewed. I also have 2 children and stay walking distance from 2 local schools, (Stepps and st josephs primary) and stay several miles away from any Glasgow school. I really hope this my development gets changed to north Lanarkshire
