Consultation on proposed Administrative Area Review between Fife council area and Perth & Kinross council area at Keltybridge

The Local Government Boundary Commission for Scotland is seeking the public's views on proposed changes to the local government area boundary between Fife council area and Perth & Kinross council area at Keltybridge and at Fife Environmental Energy Park, Westfield.

The existing boundary follows the old watercourse of the Kelty Burn by Keltybridge as well as crossing through a domestic property in Keltybridge and the site of the Environmental Energy Park at Westfield. The Commission is proposing that the boundary at Keltybridge is realigned with the existing watercourse of the Kelty Burn and that the misalignment at Westfield is corrected to follow the current boundary fencing.

Details of the proposals can be found on the Commission's website www.lgbc-scotland.gov.uk and can be viewed at the following sites:
